

Banner advertising: www.profibus.com

Offer

Homepage

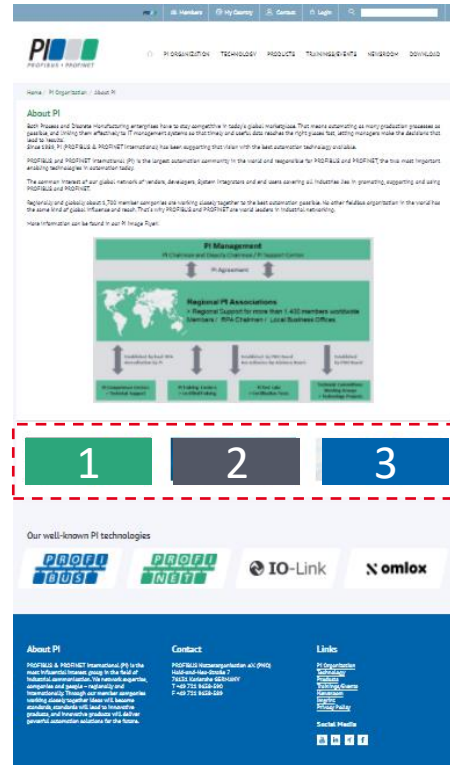

mostly 1 x 3 banners, max. 3 x 3 banners:

banners rotate every few seconds; with reload of the page or following of an internal link, the position changes randomly

Subpages

The English subpages follow the same logic (down to a certain level only)

- Banner is shown on the homepage and all subpages
- Banner is shown only on PC, laptop und tablet
- Banner changes the position per random by new page impression
- Banner statistics available by request

Technical Data:
